**NETBALL IS ON THIS WEEKEND! AND WE NEED YOU!** Although our AMND grades have the weekend off for the school holidays our State League teams will compete against Cougars Saturday @ ETSA Park Court 1 - SLR 2pm and SL 3.30pm. They would really appreciate a loud and vocal crowd to cheer them on, in what should be 2 good solid games. Last time we met (in Jamestown) Woods SL were victors by 9 goals and our SLR won by 15.

After the last game, where our State League team thrashed Tango 78 to 38 - the girls are fired up and ready to perform. A possible long term injury to SL GK Sally Fuller, left the coach no option last week, but to swing around the defence line moving Cath Quinn into the GK spot, Clare Pettyfor into GD and Reserves Co-captain Alice Murt into WD. Alice took her opportunity with both hands dishing out a comendable 6 clean intercepts during the game to make turn overs a common occurrence. The turn overs were rewarded with Khao Wattts and Abbey Holmes combining like old times to give the shooters Hayley Edge & Chloe Drogemuller the feeds they needed to score the 78 goals. A great team effort. The big win was needed to gain valuable percentage and strong confidence as Woods face up to some tough opponents in the next few weeks. Currently still one game clear in 4th spot.

This win was backed up by the Reserves also blasting Tango off the court 79 to 16 ! Our Ressies still sit proudly in 2nd spot, but with Cheerio, Cougars and Contax all around the mark a win this week will cement the 2nd spot we have held most of the season.

As we go into the July School Holiday break Woods have 22 out of a possible 33 teams sitting in the top 4 - excellent effort!

Thanks again to **Sunsavers** who have agreed to sponsor a 2nd Woods Team our Primary 1's! Remember to check out their website [sunsavers.com.au](http://sunsavers.com.au).

Also, new B5 Team Sponsor - **Medical Lasers** would like to offer our club members an ongoing 20% discount on all their Laser Hair Removal treatments - please print off the voucher attached for details.....
