

PANTHER PRIDE!

www.woodspanthers.com.au

THIS IS THE BIG ONE - AND WE NEED YOUR SUPPORT - THIS FRIDAY 30TH JULY - 8.00PM - COURT 1 - WOODS WANT TO PLAY FINALS !!

Woods Panthers strong win 59 to 34 against Garville last Friday keeps them in touch with the top 4. Still sitting in 5th spot on percentage Woods will face Jags this Friday, who are on equal points in 4th spot, to fight it out for a finals berth. Assistant coach Trudy Barker took the reins, whilst coach Jackie Blyth was in Sydney on business. Trudy started a new defence line with Sally Fuller, returning from injury, in GK, Clare Pettyfore at GD and Alice Murt at WD. At half time Beth Shimmin was introduced to the game at GD, suffering the flu, but managed to play out a strong half. Alice Murt retired to the bench and Clare Pettfore took up the WD role. The settled attack line of Khao Watts - C, Abbey Holmes - WA, Chloe Drogemuller - GA and Hayley Edge - GS worked through their various plays preparing for next weeks clash.

Reserves had yet another solid win this week against Garville claiming the all important 2 points which has given them a much needed percentage boost heading into the last round. The girls proved that they were a top four team keeping Garville to just 3 goals in the first quarter giving them a 10+ goal lead which they continued to build on throughout the game to finish with a 43 goal lead. Clair Alvino and Kylie Noble dominated the centre court each of them blocking many passes and creating opportunities for the defense to turn the ball over. With Bronwyn Heap being rested due to a knee injury the attack line had a very different line up with Bodelle Stanley in WA for the first 3 quarters with Megan Vine giving it a go in the last to which she did a fantastic job. Another win against 6th seeded Jaguars will see them finish in the top 2 cementing their "double chance" heading into the finals.

this Fridays SL game promises to be a great match, and with the thrill of a tight game, and the knowledge that both clubs will turn out with huge support, Netball SA have moved the match, previously listed to play on court 3, to court 1 to accommodate what will be a very large and vocal crowd. Get along and support your local State League Club this Friday at ETSA Park. Reserves play at 6.30pm (court 2) and the big one, State League - the battle for 4th spot - play at 8.00pm.

**WOODS TATTOOS AND BRAND NEW WOODS STICKERS WILL BE AVAILABLE AT THE GAME \$1 EACH.
GET INTO THE CLUB SPIRIT!!**

MURRAY BRIDGE CARNIVAL

On a fabulous sunny Sunday last week, 7 teams from Woods Panthers descended on Murray Bridge for their annual carnival. **HUGE THANKS to LEIGH WINDSOR and ADRIAN BROCK** for setting up our tent city to accommodate our teams.

Junior 1, Junior 3, Junior 6 all entered the comp and were registered into the same U15 clubgrade. We made up nearly half of the comp!

Carly Middleton & Christine Laundys J3 team nearly created the upset of the day in the first game - leading the J1 team by 5 goals at half time of the first match, but the J1 team came through, just, with a 2 goal win. Both teams went on throughout the day and won, convincingly, all of their matches. They then met again in the Grand Final, Woods vs Woods. The Junior 1 team were very wary of

their tough opponents, and had to pull out their best game to come away with the win.

Coach Megan Vine was unavailable to coach the J1 team due to State Under 21 trials, so Manager Irene Scriven took over the coaching reins with great success. Junior 1 medal presentation (left) Christine Laundy & Carly Middleton J3 coaches relax between games (right)

Supporters, lead by Louise Cheatle & Mary Zoenetti enjoyed the Woods v Woods GF

Our SJ2 team also came away with the competition medals winning their U13 division. Congrats to Di Herbert and her team (left) and Leigh Windsor took his SJ4 team along and experienced the carnival atmosphere (right)

Katy Bakker also gave her Primary 6 team their first exposure to a netty carnival. Up against some rather tall players, they kept playing and enjoying their day !! Louise Cheatles Primary 1 team also competed and were awarded participation medals, as no finals were played in the U11 division.

More Carnival photos to come next week.....
