**STATE LEAGUE NEWS** After a strong training session last night Woods State League team are set to perform at their best and bring home a powerful win to make up for 'going missing' last week. Currently still clear in 4th spot by one game, we need to keep the wins coming to maintain this position.

The Reserves made it all worth while, for a Friday night out, when they accounted for top team Matrics by 6 goals. Acurate shooting by Megan Vine rewarded the defence team who consistantly turned the ball over for Woods. Captain Tara Gagliardi showed her desperation in defence even taking an intercept with her knees! Still 1 game off of taking the top spot, the Ressies will be looking for the win and percentage to put pressure on for a minor premiership.
